

**Deposits required to receive discounts for 2-day tournaments directed by Howard Edwards**

Your team will be eligible for discounts ranging from \$50 to \$100 per tournament provided deposit and payment for the tournament are received by deadlines listed on chart below.

Teams can sign up for tournaments without paying a deposit but will not receive the discount past the due dates stated.

These changes will help us provide you a better softball experience and provide umpires with their schedule two week prior to the tournament.

The \$25 deposit is **non-refundable** if your team cancels.

The entry fee can be credited to another tournament minus the deposit if your team is to cancel.

**Online payment for these tournaments will be available through pay-pal.**
