Rosters and Age Qualifications for Fall World Series

All rosters have to be entered on-line printed off and a copy turned in at check in

Note: All On-line rosters must be entered by Tuesday October 29, 2019 at midnight. This gives us a few days to help all of you with any problems that might occur getting girls entered on-line.

Age eligibility will be the age of the players on January 1, 2020

We know that some teams are playing fall tournaments with age eligibility January 1, 2019 and using Fall paper rosters.

NSA rules for the Fall World Series require the age eligibility to be January 1, 2020

10U Age Eligible No girl can turn 11 before January 1, 2020

12U Age Eligible No girl can turn 13 before January 1, 2020

14U Age Eligible No girl can turn 15 before January 1, 2020

16U/18U(High School) No girl can turn 19 before January 1, 2019

Notice to teams that played with Fall Paper rosters and do not want to move up till January 1, 2020. If we have several teams in the same age group that the Age as of January 1, 2020 effects your team participating we will create a special division for those teams

EXAMPLE: You are a 12U team but you have played this Fall with several girls that are already 13 that means you would have to play as a 14U team, BUT if we get enough teams in this situation we will create a 14U SPECIAL DIVISION where teams can have 13 year old girls but CAN NOT turn 14 before January 1, 2020 or they have to be born at the earliest in 2006.

This general guideline will apply to all ages
